

APRIL 2024

LEARN MORE. START TALKING.

BETH WEINSTOCK, MD - BIRDIELIGHT: THE FENTANYL CRISIS

Beth Weinstock is a physician, poet, and mother whose eldest son, Eli, was a college sophomore focused on his future when he died from an unintentional fentanyl ingestion in March 2021. In honor of Eli, Beth and her daughter co-founded BirdieLight in Bexley, Ohio to spread awareness about fentanyl - and why they call it "the greatest public health crisis this generation is facing."

Please join us for this community program to learn what fentanyl is and where it is found, and get the tools to stay safe from it.

*This program is offered in partnership with **Upper Arlington High School**, and with thanks to the **Upper Arlington Education Foundation** for generous funding support.*

THU APR 4 | 7PM | UAHS PERFORMING ARTS CENTER

EAT GOOD, DO GOOD.

GIVE BACK NIGHT @ DEWEY'S

Raise funds for The Stand Project when you dine at Dewey's Pizza in Grandview! Dewey's will kindly donate up to 20% of qualifying food purchases to our organization, enabling us to offer substance use prevention education, support resources, and substance-free activities to youth in our community.

Mention "GBN" when you order in person or by phone: 614.487.8282

Enter "GBN" in Order Notes when you order online: deweyspizza.com

TUE APR 16 | 4-9PM
DEWEY'S GRANDVIEW | 1327 WEST FIFTH AVE

SAVE A LIFE.

COMMUNITY NALOXONE (NARCAN) TRAINING

Led by Franklin County Public Health, this 1-hour training will empower you with life-saving tools. Learn about substance use disorders and the different types of opioids, how to identify the signs and symptoms of an opioid overdose, and how to administer naloxone (Narcan).

At the completion of the training, participants will receive a free naloxone kit to take with them.

For ages 14+.
