

The National Association of Young People Who Stutter

FRIENDS STUTTER-STEP 5K RUN/WALK

SATURDAY, APRIL 3, 2019

The **4th Annual FRIENDS Stutter-Step 5K Run/Walk** is being held at McNamara Park in Galena, Ohio on Saturday, April 13, 2019 at 9:00 a.m.

FRIENDS is the only national non-profit organization dedicated solely to empowering young people who stutter and their families. Our mission is to provide support and education to people who stutter, their families, and clinicians. For more information on **FRIENDS**, visit our website at www.friendswhostutter.org.

This is our fourth 5K Run/Walk to raise money for **FRIENDS**. The profits from our **5K** race help provide financial assistance to families and students who would like to attend our annual convention or one-day conferences.
