This activity is not sponsored by Upper Arlington Schools.

WHAT IS "Be WISE"?

Be WISE is a **STEAM** (Science, Technology, Engineering, Art, and Mathematics) camp designed to develop interest, excitement and self-confidence in girls who are entering grades 7 or 8 in the Fall of 2022. The camp will feature a separate curriculum for each grade level emphasizing critical thinking and problem solving real-world activities. Class size will emphasize the ratio of 10 students per teacher.

"Everyone fits in! No one is left out!"

Seventh graders will attend the following classes:

Stream Study

7th

Physics

Math

Ecology

WHO WILL DIRECT THE CAMP?

The staff is comprised of certified teachers most of whom are returnees. The staff also includes a full-time nurse.

High school, college, and post college girls with previous Be WISE camp experience have been hired as counselors. Each camper will be assigned to a small family group with the same camp counselor for the entire week.

"I loved doing all the 'hands-on' activities in classes."

Eighth graders will attend the following classes:

Math

8th

Pond Study

Astronomy

Chemistry

A description for all classes is available at www.bewisecamp.org

"It was an awesome camp where you meet new people, have fun while learning, and try new things."
