This permission slip must be completed and signed by the student and his or her parent or guardian in order for the student to enroll in college courses under the College Credit Plus program.

A student eligible to participate in College Credit Plus and admitted to a college or university will enroll in actual college courses, which *may* include “mature subject matter” as defined in Ohio Revised Code 3365.035.

PLEASE TYPE OR PRINT:

We _____ (Student Name) and _____ (Parent/Guardian Name) hereby understand that by enrolling in College Credit Plus courses:

- Content *may* include mature subject matter that will not be modified based upon College Credit Plus enrollee participation regardless of where course instruction occurs; and
- State law requires this signed form be submitted in the student's application to the college or university following that college or university's instructions for submission of application materials.

The signatures below indicate permission is granted to participate in College Credit Plus. It is the parent's or guardian's responsibility to be aware of and monitor the student's enrollment based on information provided by the college.

REVIEW FURTHER CONSIDERATIONS FOR PARTICIPATING
IN THE CCP PROGRAM AT CSCC:**

Please review the items below:

1. Students are enrolling in college level courses. These courses become part of the student's permanent academic record, including both the high school and college transcripts and GPAs. Courses taken for high school graduation credit may impact a student's ability to graduate high school.
2. Students who fail and/or withdraw from course(s) after the 14th day of the semester may be billed by their school district for all tuition and fees associated with those courses. A student may withdraw from a class prior to the college's withdrawal date and receive a "W" on the college transcript, which will not affect the college GPA. Students who wish to drop a college class should consult with their school counselor and Columbus State Community College academic advisor before doing so.
3. Students may not register for more hours than indicated by the school counselor/principal, in alignment with State regulations. If a student registers for more hours than allotted, they will be considered self-pay and will be billed by Columbus State Community College for all tuition and fees associated with those courses. Unpaid balances may be referred to the Attorney General's office for collection.
4. Students who were biologically male at birth and turn 18 after completing an admissions application are required to provide the Selective Service number within 30 days of their 18th birthday to the Records and Registration Department. If the student does not submit their assigned Selective Service number, the student will be billed a surcharge equivalent to the nonresident tuition rates. This surcharge will be billed until the Selective Service number is provided.
5. Parents should never contact instructors regarding student progress, attendance, assignments, etc. All communication regarding the student must be handled through the College Credit Plus Office and/or the school counselor in accordance with the Family Education Rights and Privacy Act (FERPA).
6. Parents are not permitted to attend courses with students unless the parent is registered for the course as a paying student.
7. If the student is taking course(s) on a CSCC campus or Regional Learning Center, the student may be in class with adults who come from a variety of backgrounds, ages, and criminal histories. Students may be required to interact with classmates on group work/projects inside and outside the classroom.
8. Course subject matter may include mature themes and materials and will not be modified based upon College Credit Plus student participation.
9. If the student has a documented disability, it is the student's responsibility to request necessary accommodations through the college's Office of Disability Services.
10. Completion of this consent form does not guarantee admission to a specific program or course. To add courses, students must meet course placement and/or prerequisites and submit a registration form.

Questions or concerns about any of the above information may be sent to your assigned CCP advisor. You can discover your advisor at <https://www.csc.edu/academics/college-credit-plus/contact-us.shtml>
