UA Parks & Rec is finalizing designs for the Northam Tennis and park service building reconstruction project. Northam Tennis will be reduced by three-four courts, creating a .44-acre available area of the park, between the courts and Tremont Pool. This presents an opportunity to rethink how this space could be utilized, and the department has begun a study process to identify the best option. We invite you to learn more and provide input:

**Parks & Recreation Advisory Board (PRAB) Community Meeting**
6:30 pm, Monday, July 17, 3600 Tremont Road
Learn about the project, the emerging options, and let us know what you think.

**Online Community Engagement** - July 18-August 18
Watch the PRAB meeting video or view the presentation, then provide online feedback. You can also send your thoughts to us via email, at parks@uaoh.net.
