

Upper Arlington Summer Academy 2021

Once again, Upper Arlington School District has partnered with the City of Upper Arlington Parks & Recreation Department to present its Summer Academy course offerings. Read on for a great selection of summer programs for students in grades 1-12.

- **Overview:**

- In keeping with the District's mission, the Upper Arlington Board of Education is committed to providing a superior comprehensive summer school program for students and the Summer Academy plays an important role in living up to that mission.
- By extending the school year, a large number of students are able to enrich, reinforce, or receive remediation in a variety of subjects and thus continue their education in a less traditional way. Some classes are in-person, others are all online, while a few are a blend of the two. If the district or the State of Ohio restrict in person learning due to COVID-19, Summer Academy will return to 100% online learning. At this point, we hope to follow the schedules laid out in the course descriptions. **Any changes to our operational model will be publicized on the Upper Arlington District web page.**
- Take a few moments and check out the following pages to see what we are offering this summer for students.

- **Registration:**

- Online registration is available again this year through a partnership with the City of Upper Arlington @ <https://parks.uaoh.net>. **Online registration opens at 8am on March 10th.**
- Enrollment in all classes is limited and will be accepted in the order received. Please register according to the student's upcoming grade level in August 2021. Registration will close 3 days before the start of the class.
- **Students will not be notified of acceptance in a course.** You will only be notified if the class is changed, full, or cancelled. Any classes that do not have a minimum of 6 students enrolled may be cancelled. Class cancellations will be communicated as soon as possible

- **Attendance:**

- Due to the abbreviated course design of Summer Academy, high school and middle school students taking credit courses and remediation courses are required to attend all classroom days and complete the assignments in order to earn credit. Missing more than one class day may prevent a student from earning credit.

- **Refunds/Cancellations:**

- A service fee of \$20 will be charged for all refunds except when a class is cancelled. Class cancellations due to low enrollment will be communicated as soon as possible and fees for those classes will be refunded in full.
- All refund requests must be emailed to summeracademy@uaschools.org. **There will be no refunding of fees after the first day of scheduled classes.**

- **Scholarships:**

- Parents of students who need tuition assistance due to financial hardship must complete Form SAFA. This paperwork is available by emailing the Director at the email address below and must be completed prior to scheduling the Summer Academy class(es).

- **Questions?:**

- For additional information about Summer Academy, please email your question to the Director of Summer Academy, Kelly Scott at summeracademy@uaschools.org.
