Summer ART CAMP

nurturing creativity through crafts at the Ohio Craft Museum

Summer fun begins at the Ohio Craft Museum! We've got camps and workshops for students of all ages. Register now! www.ohiocraft.org

Young Masters Summer Day Camp

Entering grades 1–6 • Half Day $110 • Full Day $195

eARTh Elements June 3–7
Earth, Fire, Water and Air are all around us! Explore these elements in the art you create.

Games, Games, Games! June 17-21
Design your own game board! Explore games from the past, present and other cultures.

Fabulous FiberArt June 24-28
Explore the many possibilities of fiberart through weaving, felting, quilting and more!

Recyclart July 15-19
Always a popular class! Discover ways to upcycle used or found objects into amazing works of art.

A Miniature View July 29–August 2
Shrink your view of the world by creating miniature scenes, art, environments, and discover the miniaturist in you.

Detailed descriptions available at ohiocraft.org/education

This is not a program of Bexley, Worthington, Grandview or any other public school.

Teen Summer Workshops

Entering Grades 6–12 • $65 per half-day session

Session 1: June 12–14, Wed.–Fri.

AM SESSION: 9:30–NOON

Fantasy Characters
Design and sculpt your own 3D fantasy figure with a poseable body and clothing.

Ceramic Water Bottle
Learn how to color, handbuild and carve day to make a unique ceramic water bottle.

PM SESSION: 1:00–3:30 PM

Ancient Egyptian Jewelry
Explore ancient Egyptian jewelry & create your own bracelet set using real gemstones.

Navajo Woven Bag
Teens will construct a simple loom, learn weaving techniques, incorporate symbolic patterns and create a colorful, Navajo-inspired bag.

Session 2: July 10–12, Wed.–Fri.

AM SESSION: 9:30–NOON

Express Yourself Pajama Set
Learn basic sewing skills; use a pattern to make a pair of pj pants, then create a design on a t-shirt you bring to class.

Leather Journal/Sketchbook Cover
Teens will learn basic leathercraft tooling, stamping and dyeing techniques to make a cool leather cuff and a journal/sketchbook cover.

PM SESSION: 1:00–3:30 PM

Glass Fusion
Combine a variety of colorful layers of glass to create a colorful mobile or decorative wall hanging.

Metalsmithing Basics
Teens will learn basic metalsmithing techniques while creating two to three pieces.
