

## Transferring Grades/Credit Upper Arlington City Schools

<b>Transferring Grades/Credit</b>	
<b>Grades: K-8</b>	Transferring from another district you must submit an official transcript in order for the grades earned by the student to be recorded on the student's official transcript in this District.
<b>Grades: High School</b>	Students transferring from another school district must submit an official transcript from the sending school in order for the student to receive credit for course work and to have the grades earned for completed coursework recorded on the student's official transcript in this District. Report cards will not be considered sufficient evident for granting credit toward graduation.
