OP SPRING JUNIORS 2019

Focused around a structured, yet fun, player development philosophy players will find a new level of **confidence on the ball**. Our program, **led by professional coaches**, will serve to enhance your child's 'love of the game'. Into our 22nd year we have established a **unique style of training** session which focuses on **individual player development** through 1v1 and 'ball mastery' techniques as well as promoting self-confidence. We compliment that with **FUN small-sided 'in house' games**.
