Upper Arlington Girls Soccer has a tradition of excellence. We've been Ohio Capital Conference division champions 8 times. We are 9-time champions of the OHSA Central District. And we've represented UA in the State Final Four as champions of the OHSA Central Region. We've earned those championships through mutual respect, hard work, and an "ALL IN" team mentality, and those are the values we carry forward.

To continue that tradition and offer a glimpse into the way we prepare and train at the high school level, we offer an annual UAGS Youth Camp to all UA girls entering grades 1-5 and 6-8 who may be interested in playing soccer for the high school some day.

### TRAINING FOCUS

The camp offers four days of robust training, focusing on the technical and fundamental aspects of the game. Speed of play and decision making are emphasized through the quick-thinking and precision of "rondo training" — a concept Upper Arlington Head Coach and Camp Director Andrew Kessinger has incorporated over many years and utilizes with his student-athletes at the Varsity level.

### COACHING STAFF

The camp features a highly qualified staff, including current and former UAGS players, who will teach players the skills they need to be successful at the next level.

**Andrew Kessinger** is the Girls Varsity Head Coach and Program Director at the high school. A former pro player and collegiate All-American, he's a member of the Athletics Hall of Fame at both his high school and college alma maters. Coach Kessinger was also a former club soccer coach for Ohio Premier and the former Director of Coaching for the Eagles Soccer Club (now OP) in Upper Arlington.

**Chad Blomgren** is the Girls Varsity Assistant Coach at Upper Arlington. He is a current club coach at Ohio Premier and a former Varsity Assistant Coach at The Wellington School and Club Soccer Coach at The Ohio State University.

### COST & REGISTRATION

The fee for the camp is \$110 and includes an exclusive Upper Arlington Girls Soccer t-shirt. Early bird registration closes on May 12. For registrations received after the early bird deadline, the camp fee increases to \$120 and a t-shirt is not guaranteed. Registration is on a first come first serve basis.
