

# UA IDEA DAY 2020

## KALEIDESCOPE: A NEW PERSPECTIVE

UA Idea Day brings thinkers, innovators, and dreamers from the outside world right into our school. Inspired by Chicago Ideas Week, the largest annual ideas festival, UA Idea Day is the first of its kind outside of Chicago. For all of April 3rd, 2020, speakers, panelists, and workshop sessions will provide students and teachers with a variety of experiences meant to spark inspiration and inspire action. **You** could contribute!
