

Wickliffe Progressive Elementary School Supply Information 2022-2023

The Wickliffe PTO is excited to sponsor a pilot program for bulk school supply order for the 2022/2023 school year!

Wickliffe teachers completed school supply lists for the 2022/2023 academic school year and the PTO submitted the supply order for all classrooms. By doing this, we can pass along the benefits of bulk pricing and the convenience of doing the shopping for you! This also ensures that all students start the year with the same supplies.

At the end of July, you will be able to pay your students' school supply fee of \$35 on our PTO website. All supplies will be delivered to your students' classroom. If you have any questions regarding this pilot, please contact Dawn Hofherr at dawn.kuritz@gmail.com.
