

THURBER HOUSE YOUNG WRITERS' STUDIO

SO YOU
LIKE TO
WRITE...

You're in luck! Young Writers' Studio offers 9th-12th graders a fun, safe space to get creative. With facilitator Frankie Diederich, you'll participate in exploratory exercises designed to inspire out-of-the-box thinking. A portion of each session is set aside for writers who want to bring their own writing to be discussed by their peers. It's a great, low-key opportunity to create something new and meet others who also love to write!
